**CALL FOR PAPERS**

**ASYU 2021 - Innovations and
Applications in Intelligent Systems**
October 6-8, 2021, Elazığ, TURKEY

**Location:**

Fırat University is a state university located in the center of Elazığ and founded on April 11, 1975. Today, Fırat University continues its academic activities in 3 different campuses, namely Engineering, Rectorate and Harput, with more than 2000 academic staff and nearly 50,000 students. Fırat University Congress Center is on the Engineering Campus and in a central location where access to all means of transportation is very easy.

Theme:

Conference on Innovations in Intelligent Systems and Applications (ASYU 2021) is organized by Fırat University, in cooperation with Yıldız Technical University and will be held in Elazığ between the dates of October 6 – 8, 2021. The language of the symposium will be English and Turkish. Special session proposals in hot topics will be evaluated by Program Chairs. Submitted papers of the general and special session tracks will undergo a triple-blind review process. The topics of interest mainly cover Artificial Intelligence, Deep Learning, Fuzzy Logic, Smart Systems, Smart Cities, Machine Learning, and Data Mining but not limited.

Publication:

All accepted and presented papers will appear in the Conference Proceedings and be indexed by [IEEE Xplore](#) digital library. Among the final papers, some will be selected for publication in a special issue of some journals which is indexed in TR Dizin depending on the results of the peer-review process and the reviews of the Journal Editors.

Important dates:

Full Paper Submission: June 14, 2021

Notification of Acceptance: August 23, 2021

Early Registration: August 31, 2021

Camera-Ready Submission: September 15, 2021

Paper Submission

Prospective authors are invited to submit their full paper(s) electronically through the conference web site. Papers will be reviewed by at least three referees for technical merit and content. Accepted papers must be presented at the conference by an author whose name will appear in the proceedings.

Call for Special Sessions

Interested attendees are encouraged to propose special sessions, which consist of at least 4 papers that provide a focused discussion of new or innovative topics. Each proposal must include the session title, description, and organizers. Special session papers will undergo the same intense review process and submission is not a guarantee for acceptance.

The special session proposals could be forwarded asyu2021@firat.edu.tr until April 27, 2021.

More information about conference can be found at the following website: <http://asyu.inista.org/>
